JERRY L HOOVER
FRONT END DEVELOPER | REALJHOO.COM

OBJECTIVE

To obtain a position as a front-end junior web developer.

SKILLS

HTML, CSS, JavaScript. Gimp. Git. Coding. Teaching and learning. Creating cool things and ideas in an atmosphere that helps others to do their best. Excellent critical thinker and logical analyst, good communicator and fine writer and editor. I love learning: I taught myself coding, as well as Esperanto and Toki Pona. Also, I grill really good steaks.

EXPERIENCE

TEACHER • FORT BEND ISD & YES PREP PUBLIC SCHOOLS • JULY 2014 - PRESENT
Organizing, preparing and executing a plan each day to ensure that 180 middle school students learn the required skills to move on to high school, while maintaining order in a relaxed atmosphere. Simultaneously fulfilling requirements for administrative and reporting duties, while also meeting socio-emotional needs of a diverse student population. Basically, herding cats while, at the same time, teaching cats to write effective essays, appreciate well written literature, and to stop scratching the furniture.

EXECUTIVE DIRECTOR • ROSENBERG MUSEUM • JUNE 2010 – JUNE 2014
Responsible for everything below, plus management and coordination of fundraising, marketing, internal IT as well as coordinating the activities of Board of Directors.

MUSEUM DIRECTOR • FORT BEND COUNTY MUSEUM • JAN 2006 – JUNE 2010
Responsible for daily operation of county's largest museum, including organizing exhibits, managing collection and curatorial staff, overseeing outreach efforts and providing research services to the community.
